attended the first evening. Please pray for the Kidzone team as they carry on this faithful ministry every week.

**Reports**

From time to time Sam is invited to share the gospel to adults and/or children. Pray that visits like this would be used of the Lord. Some local churches and assemblies ask Sam to report on the work we are engaged in as a family, these visits have been encouraging as we have the opportunity to meet many of the folk who pray for us regularly.

**Home Studies**

The teen bible studies on Tuesdays commenced in October. We are hoping to look at some real life issues for the teens, topics such as integration, isolation, separation, peer pressure, temptation, stress etc.. using biblical examples to teach the truths of the word on these issues. Pray for their spiritual growth and development, also for those who have commenced Uni this year, that they would take a stand for the Lord.

Matthew (17) is now driving, and is playing rugby for the 2<sup>nd</sup> XV, and has just been asked to join the SU youth council for Northern Ireland. Vicky (20) is back to Queens University Belfast and will be planning her year out to France commencing mid 2010. We had a fantastic family holiday in June which we all thoroughly enjoyed. We value your continued prayers for us as a family in seeking to serve the Lord in the coming months.

## School – the best days of your LIFE!

We have a very busy schedule with over 20 school assemblies and RE classes between now and Christmas. In September Sam had the opportunity to visit a class of seventy girls and share something of what God is doing in Mission.

The LIFE exhibition in October was a wonderful week of blessing and encouragement. Praise the Lord for the team of over 25 helpers that the Lord brought together. There was an amazing sense of unity and purpose as they gave of their time and energy to make the week such a success. Please pray for the children and adults from 22 schools who attended the exhibition, 860 in all, that the Spirit of the Lord will use the seed that was sown in their hearts. All the pupils received an application for PBS and we have already received a number of these back. The teachers got a copy of John's gospel. **Please pray** as we follow up these schools for assemblies. [www.lifeexpo.co.uk](http://www.lifeexpo.co.uk)

We have posted to every school in Tyrone and Fermanagh a post card advertising the new bes website [www.besweb.org](http://www.besweb.org) and the opportunity to download FREE RE resources. **Pray for a good response.**

## Tony Anthony & Life Bus

**Thank you** for your prayers in relation to the Tony Anthony "Taming the Tiger" event organised by the fellowship. Over 650 attended the evening, many of whom did

not know the Lord. Following the clear presentation of the Gospel we look to the Lord to bring a harvest for His glory. We have had four Bible studies following the Tony Anthony event looking at the basics of Christianity, these have been very encouraging. One of the most blessed things was to see the fel-

lowship working together in the spread of the gospel.

With many from the fellowship we continue to seek opportunities to use the LIFE bus. **Pray** as we have a meeting soon to plan a schedule. We look forward to being on the streets again sowing the seed and serving hot chocolate!

## Travel

## Baptisms

Sam has a number of shorter trips to consider in the near future with bes. There is a possible trip to the UK and France to meet with some translators, also Romania, Hungary, Czech Republic, Italy and Germany. **Prayer is appreciated** for decision making, arrangements, safety in travel and the family while Sam is away.

In our last newsletter we reported on a baptism, we have the pleasure to report that another has taken place on the 1st Nov. Five who meet with the fellowship were baptised. Please **pray** for Peter, James, John, Glenn and Laura who took this important step of obedience.

## PBS Camps—Portora & Romania

As ever Junior & Senior camps

during July were super, good weather, great leaders and speakers who were in touch with the Lord as they brought daily messages to the campers. Martin Peters was our guest speaker at Junior and Stevie Rogers at Senior. We had a brief scare of swine flu which sent us all in a bit of a spin, but **we thank the Lord** for answered prayer and wisdom in decision making.

During the Senior camp, Simon (16) professed faith in Christ. Praise the Lord for him and please pray for our campers that they would be steadfast in their walk with the Lord. The help in many ways from various people was so amazing and we wish to thank you, especially our leaders and cooks! **Camp is a major team effort.**

**Our reunion weekend** is from the 4<sup>th</sup> to the 6<sup>th</sup> Dec in the Clinton centre, Enniskillen when Glenn

Johnston from Newtownards will be our speaker, Pray for Glenn as he will have five teaching sessions for two age groups.

**There were three camps this year,** two in the Romanian Language and one in Hungarian. Thank you for those who sponsored children to attend, many were spiritually blessed and encouraged as a result.

## PBS Tyrone & Fermanagh

Louise would value **prayer** for her as she

carries on this work, it has been busy preparing for the prize evenings. We had four great evenings. In Strabane and Cookstown Ivan McClean was our speaker and in Fivemiletown and

Enniskillen Stevie Walls spoke. We had an atten-

dance across the four events of approx 400. It was such a blessing to see the young people receive their prizes. This year we had 17 who were presented with their ten year certificate and prize. This means they would have

completed approx 440 weekly lessons!

*"PBS lessons to over 850 students in 18 countries"*

## Residentials

Following the "The Rescue" youth weekend on the 19<sup>th</sup> – 21st June, where Sam was speaking, we have heard of one who has trusted the Lord

and just last month he had a text from a young lad who has been restored.

The Emmaus retreat in England from 8<sup>th</sup> – 11<sup>th</sup> Sept was very informa-

tive and the fellowship was great as Sam spoke on "sowing and reaping" It was such a blessing to hear of what is happening through Emmaus UK.
