Reports

From time to time Sam is invited to share the gospel to adults and/or children. **Pray** that visits like this would be used of the Lord. Some local churches and assemblies ask Sam to report on the work we are engaged in as a family, these visits have been encouraging as we have the opportunity to meet many of the folk who **pray** for us regularly.

This is a phrase we have been enjoying, **He is able** to save, keep, supply and yes, to do abundantly above all that we ask or think. What a mighty God we have the privilege of serving. **Praise** God with us, in this news letter for seeing His ability manifest in so many areas of our lives and work in recent months. .

Our Family

James(13) is feeling happier at school and enjoys playing the drums. Grades permitting **Matthew** (18) will be going to the University of Edinburgh in Sept. He has been a real encouragement in his witness and last Sunday spoke at the fellowship, (you can listen www.fcflife.co.uk) **Vicky** (nearly 21) is finalising her year out to France commencing Sept 2010. We value your continued prayers for us as a family as we adapt to these changes especially in Sept.
